

Santa's Toy Factory

Sorry to have missed you at Minshull's this year. The Elves and I are super busy after lockdown getting ready for Christmas Day.

Whilst you are waiting for your meal please write to me with your Christmas Wish list and hand it to the Restaurant to post in the special box.

I have left a special delivery of Gifts with the Restaurant to hand out to good little girls and boys when they visit.

My buddy Rudolph and I (and the rest of the gang) will be quite busy on Christmas Eve, but we hope to see you even for just a quick moment when we drop by your house. See you then okay?

Merry Christmas!
